	Softball	February 9 <sup>th</sup>	May 16 <sup>th</sup>	\$240	Nancy Calahan

**NOTES:**

- 1) Approximate start dates represent the earliest allowable practice date by the AIA. TPA start dates may be as early as this date or may lag by as much as a week to 10 days.
- 2) Approximate end dates anticipate a championship game scheduled on the same date as previous years. Teams not in the state play-offs or who fail to make it to the championship game for their sport will finish their season prior to the date listed above.
- 3) Fees will be invoiced by the Business Office. Please keep in mind that your student will be allowed to practice but will not be issued a team uniform until fees are paid. Please pay all fees in the front office and indicate which student and sport they are for.
