

Tempe Preparatory Academy Parent Feedback Form

Dear Parents:

We invite you to complete this annual feedback form. We would appreciate your thoughts on how well we are serving your family in the education of your son or daughter. These forms are confidential, and you need not record your family name. Parents may return the form by mail (attention: Mr. Bergez) or deliver it to my office.

This form is not meant to replace the face-to-face dialogue between teachers and families which is at the heart of our school. This form is to gauge your overall perceptions of the school, but should not replace meetings with the headmaster or teachers to discuss concerns or suggestions you might have.

Before completing the form, please record your student's grade and section in the space provided in the upper right hand corner.

I know we have a great school, but we hope your continued input will help make it even better. I do not promise that every concern or suggestion will be addressed, but I do promise to read and seriously consider every comment.

- Mr. Bergez
