Dear Parent-

Please complete the questionnaire below. Please return this sheet to the office by Jan. 15, 2010. The form is also available online via the TempePrep.org website at http://www.tempeprep.org/pages/downloads/headmasters_office.html and selecting the 2010-2011 School Year Registration Questionnaire. The form is editable and you may submit via email. Please list all students that will be entering TPJA as a sibling registration. Please remember that TPJA students do not receive registration priority in TPA and therefore must apply to the lottery for 7th grade, unless they have a sibling in TPA.

(Please notify Ms. Flores as soon as possible if your student is withdrawing at the end of the 2009-2010 year)

If your TPJA student is a sibling of a current TPA student, your student would qualify to move to the regular Tempe Preparatory Academy (grades 7-12). Please check the appropriate box below to have your student moved from the Junior Academy (grades 6-8) to TPA. The advantage of moving into TPA is that your student will be guaranteed enrollment through 12th grade. While they will be able to move at the end of their 8th grade year to TPA, space is not guaranteed, as the 8th grade class transition into 9th grade could be full, leaving no spaces available for incoming students. Your student would then be placed on a waiting list for the first available space.

Current TPJA Student Name(s):

Name of Sibling(s) at TPA:

Grade: _____

- Yes, please move my student into the 7th grade at TPA**
- No, please keep my student in the 7th grade at TPJA**

If your student is not a sibling of a current TPA student, they qualify to be entered in to the lottery for the 7th grade for Tempe Preparatory Academy (grades 7-12). Please check the appropriate box below to be entered into the lottery. A new application is not necessary, as our Board of Directors has approved the use of the current application on file to be used for the lottery.

Current TPJA Student Name(s):
